

**REMARKS**

The Applicant's undersigned representative thanks Examiner Yang for the thoughtful courtesies and kind treatment afforded during the Examiner-initiated telephonic interview conducted on June 15, 2007. In the Interview, Examiner Yang pointed out that claim 66 recited an improper claim dependency, and asked that the Applicants submit this amendment to address the correction of the claim.

In response, the Applicant has amended claim 66 as suggested to properly depend on claim 65, thereby obviating any and all of the Examiner's concerns.

No other matters being raised, it is believed that the entire application is fully in condition for allowance, and such action is courteously solicited.

No fees are believed to be due at this time. Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: June 18, 2007
